## ENTERING...

THREE SEVEN

All around the world has been having a hard time because of the COVID-19 virus. As a result, we and many companies would suffer a lot of damage. Fortunately, we are now operating and producing as usual. So, there are no problem in the supply and production of materials. We even took this crisis as an opportunity to develop many new items.

Be optimistic, and we can overcome this situation together.  
I hope all is well with you and your company.
